

Women Everywhere Photo Gallery

Women Everywhere: Partners in Service Project (“WE”) is a collaborative effort of several women’s bar groups, including the CBA Alliance for Women. On April 24th, Alliance members participated in WE’s Educational Project for female high school students. The Educational Project focused on the accomplishments of women both in the past and present with an emphasis on strides toward equality in voting and employment, and included courthouse tours, mock trials, speakers, and panelists. Three scholarships were awarded through the project.

On June 12th, the Alliance will join other WE volunteers in participating in the WE Community Service Day, supporting approximately 30 Chicagoland agencies providing services to women and children in need. Volunteer tasks will include direct service tasks such as painting, building, gardening or cleaning. To participate in a WE activity with the Alliance, contact Alison Conlon at conlon@wildmanharrold.com or Margot Klein at margot.klein@comcast.net.

Please enjoy these photographs from the Women Everywhere Educational Project and the scholarship winners.
